Truly magnificent is how you would describe this incredible home and all that it has to offer! Overlooking Lake Davis, you can relax and enjoy the views from either an upstairs or downstairs veranda. 3732 sq. ft. two story home, built in 2007. Attention to detail is evident from the moment you first arrive at the property. Extensive trim work and brick paved walkway and porch, as well as driveway and custom landscaping are just a few of the things found before even entering the home. The home features coffered ceilings, beautiful wood floors, extensive amounts of custom trim and moldings - including wainscoting in all bedrooms. The designer kitchen is absolutely fantastic and opens up to living area with coffered ceilings, and more!
